

DENTAL ASSISTING, ONE-YEAR CERTIFICATE

Program Description

This one-year certificate program prepares graduates for employment in the dental setting with emphasis on current concepts of clinical chairside assisting. A dental assistant may serve as a clinical chairside assistant, receptionist, office manager or laboratory technician.

For entry into Dental Assisting program, orientation seminar is required. Seminar will include information about the program, and paperwork that will need to be completed prior to attending classes. Questions and concerns will also be discussed.

Program Outcomes

UCC's Dental Assisting program is accredited by the Commission of Dental Accreditation, in association with the US Department of Education and the Dental Assisting National Board. The one-year certificate program is designed to prepare graduates for an exciting career in the dental profession. The program prepares the assistant for licensing exams including the Radiation Health and Safety Exam and the Certified Dental Assistant exam. After completion of the program and upon receipt of the Radiology Proficiency Certificate students will be eligible to receive their EFDA and EFODA certifications.

Students who successfully complete the Dental Assisting certificate will:

1. Demonstrate knowledge and skills required to perform a variety of chairside skills during comprehensive patient care and treatment
2. Apply infection control procedures
3. Recognize and respond to medical emergencies in the dental setting
4. Practice appropriate communication skills with patients and establish professional working relationships in a team-centered dental office environment
5. Demonstrate safe working habits with the knowledge in Occupational Safety and Health Administration Hazard Communication Standards
6. Demonstrate ethical conduct, moral attitudes and principles essential for maintaining trust of professional associates, the support of the community, and the confidence of the patient
7. Be prepared to take state and national licensure exams

Pre-Dental

Although these can be taken during the program it is recommended that they be completed before or after. All courses must have grades meeting a C or higher and be completed prior to receiving the certificate, applying for the EFDA and EFODA certificates and the CDA exam.
