

# OCCUPATIONAL SKILLS TRAINING, CERTIFICATE

---

## Program Description

The Occupational Skills Training (OST) Certificate program is an individualized career training opportunity focused on learning on a job site. These trainings offer students the ability to earn college credits while providing them the opportunity to design a career path that accommodates their occupational goals, abilities, skills and interests. The one-year certificate can be an educational pathway to other degrees. Credits earned in this program may be applied to AAS, AS and an AGS degree.

## Program Outcomes

Students who successfully complete the Occupational Skills Training Certificate will:

1. Summarize skills and knowledge needed to enter specific career fields
2. Demonstrate job skills based on industry standards of the chosen occupation

## Career Considerations

The Occupational Skills Training program is designed to provide the opportunity for students to receive worksite-based instruction in a specific occupational area.

Skills training options:

- Business
- Engineering
- Viticulture/Enology
