

OCCUPATIONAL SKILLS TRAINING

Program Description

The Occupational Skills Training (OST) Certificate program is an individualized career training opportunity focused on learning on a job site. These trainings offer students the ability to earn college credits while providing them the opportunity to design a career path that accommodates their occupational goals, abilities, skills and interests. The one-year certificate can be an educational pathway to other degrees. Credits earned in this program may be applied to AAS, AS and an AGS degree.

Each OST Certificate will be designed on an individual basis between the student and their advisor/faculty mentor. Program outcomes will also be based on the students' goals for their professional and personal pathway forward.

OST Certificate Examples

- Operational Skills Training Certificate Core (<https://umpqua-public.courseleaf.com/programs-study-az/occupational-skills-training/occupational-skills-training-certificate/>)
- Viticulture/Enology: Winery/Tasting Room Management (https://umpqua-public.courseleaf.com/programs-study-az/winery_management/)
- Viticulture/Enology: Vineyard Management and Grape Growing (https://umpqua-public.courseleaf.com/programs-study-az/vineyard_management/)
- Viticulture/Enology: Wine Production (https://umpqua-public.courseleaf.com/programs-study-az/wine_production/)

Advising Notes

- If you are interested in pursuing an OST certificate, please see advisor to ensure proper processes are followed.
